### DIARY NOTE

**Clean Up and Planting Day**  
**Saturday 24 May 10.30-2pm**

Kathy Gasson chaired the meeting.

**FUNDING** Kathy informed us that she had not as yet heard about funding from the Big Lottery Fund this was due to be announced end April, she will keep us informed should she hear from them.

**RAILWAY PLANTERS** Kathy informed members that the LB of Lewisham had agreed to supply and fix 5 planters to the railings along the railway approach, these were due to be put in place early June. They will arrive ready planted and will be watered by the council.

**BANNERS** No further news has been received in respect of funding for summer banners, and as previously mentioned it is now unlikely that time will allow for banners to be produced in time.

**PEOPLES DAY** Ann Bligh and Ann Kashmiri have started to collect items for prizes for the tombolas. Kathy asked members to check to see if they had any items to donate which they felt would be of use for tombola prizes and also good quality bric-a-brac, ie unwanted jewellery, videos, dvd's books etc. Kathy said she would speak to Tom regarding obtaining his agreement to storing items in the basement of The Station (pub) until collection time.

**SAFER NEIGHBOURHOOD** A member asked if the Crime figures given could be more specific but Kathy informed the meeting that the figures given covered the Lee Green Ward in general, no figures were available for specific areas.

**Many thanks to the Church of the Good Shepherd for their hospitality**

**NEXT MEETING: Tuesday 27 May 2008**
