

Lee Manor Community Garden group now have a 2 year lease from LB Lewisham to grow fruit and vegetables. The first community gardening session was held on 20th March when a group of enthusiastic community gardeners helped build raised beds.

Earlier in the week four raised beds were constructed with the help of a local carpenter. Then the energetic gardening group completed the raised beds filling them first with gravel and then a mix of topsoil & compost and shifting an amazing 6 tons in weight. Many thanks to all those who helped!

**You are invited to come to the next gardening session on
Sunday 3rd April from 10:30am—12 noon:**

seed sowing and planning the fruit and vegetable planting scheme
filling the fourth raised bed with a soil/compost mix

**Please bring old seed trays, any favourite fruit and vegetable seeds and
a wheelbarrow, shovel and garden rake (if you have them)**

The garden is at the rear of 94 Burnt Ash Road & the garden gate is on Micheldever Road.

Produced by the Lee Manor Community Garden group
Karen Pollock, Garden co-ordinator (interim), Ralph White, Treasurer (interim)
With thanks to Capital Growth, Lee Green Locality Fund and Lee Manor Society for their assistance.
